

## ***What is TNT ?***

TNT – Team Northwest Tandemonium was started in 1993 so that tandem riders in the Portland/Vancouver metropolitan area could meet and ride with other tandem riders, share their experiences, and gain new friends & riding partners.

Weekend and evening weekday rides are offered by volunteer leaders from our membership. Club meetings are held four times a year on the third Mondays of February, April, June, and October. Club members also get together for a summer picnic and a holiday potluck party in the winter.

The club newsletter is published six times a year, in January, March, May, July, September, and November. The newsletter includes a calendar of rides led by club members as well as other rides and events in the area, and ride reports, articles, and items of interest to the tandem community submitted by club members and friends.

Everyone is welcome to come on TNT rides, but for real fun *and* to be informed about the ride schedule, upcoming events, and the latest tandem news, you should be sure to **join the club!**
